

FOUR-LEGGED FUN ZONE

DAY CARE | GROOMING | TRAINING

Four-Legged Fun Zone Vaccination Requirements

To ensure the health and safety of all dogs, the following vaccinations are categorized:

Required Vaccinations

- Distemper: Protects against a serious viral infection.
- Rabies: Required by law in many areas due to its zoonotic potential.
- Bordetella bronchiseptica: Protects against kennel cough, common in environments with close dog contact.
- Parvovirus: Guards against a highly contagious and potentially deadly virus.
- Adenovirus: Covers hepatitis and some respiratory infections.

Recommended Vaccinations

- Canine Influenza: Strongly recommended to protect against flu outbreaks.
- Leptospirosis: Recommended based on risk factors and exposure.

Four-Legged Fun Zone Veterinary Form

- This form is required for all participants in Doggy Daycare, Spa Services, and Boarding.
- Please have your veterinarian complete this form. All information listed is required for enrollment.
- This information is essential for the health and safety of all participating dogs, including yours.
- This form must be provided before first day of daycare. Email address is scheduling@tailoredpetservices.com.
